

Nezuko Kamado

Nezuko Kamado (竈門 (かまど) 禰 (ね) 豆 (ず) 子 (こ) *Kamado Nezuko*^[2]) is the younger sister of [Tanjiro Kamado](#) and one of the two remaining members of the Kamado family. Formerly human, she was attacked and turned into a [Demon](#) by [Muzan Kibutsuji](#). She is one of the main protagonists of [Demon Slayer: Kimetsu no Yaiba](#).

Appearance

Nezuko is a petite young girl with fair skin, visibly large, prominent fangs, and sharp, claw-like nails that fade to red where they point. Her hair is long, black and reaches just below her waist, turning a flame-orange color as it passes her elbows, and appears to be crimped into large, straight ridges, worn side-swept drastically to her left. She has soft-looking, pale pink eyes that appear a lighter color around the rims of their irises, slanted downwards towards the sides of her face and framed by notably long eyelashes, the pupils of which can appear slit as she transforms. According to [Tanjiro Kamado](#), Nezuko was known as a great beauty in their home town.^[4]

She wears a light pink kimono with a hemp leaf pattern, the lining a paler pink, with a red and white checkered obi and a thin piece of orange thread looped and knotted around her waist, another band of green above it. Over this, she sports a long, dark brown haori that reaches past her knees, as well as pink zori sandals and white socks, wrapped with thick pieces of black material. Nezuko also wears a small pink ribbon to the left of her head, to keep her hair out of her face, and the bamboo gag [Giyu Tomioka](#) gave her,^[5] which is secured around her jaw with a strip of red cloth.

When Nezuko transforms into her berserk Demon form during her fight with [Daki](#), she loses both her gag and footwear, as well as the sleeves of her haori and kimono. She grows a short white horn on the right side of her forehead, and a vein-like pattern appears around her left eye, but her most striking new feature is the red and green vine-like pattern that covers her skin, circling around her arms, legs, and chest.

As a human, she had a very similar appearance, the only differences being her lack of Demon-like traits, vermilion hair, and pale pink eyes. Instead, Nezuko had fully black

hair, worn tied back in three low buns, decorated by pink ribbons, and eyes of a dark red color that only appeared pale pink around their lower irises.

She wore the same kimono, just without her haori and with a large sheet of white cloth tied around her, which she used to carry her little brother, [Rokuta Kamado](#), on her back.^[6]
